Hospital-owned Physician Groups Adding Up to Higher Costs

Nov 04, 2014 | 8:00 am

California is seeing its share of hospital-physician group acquisitions, but a new UC Berkeley study is raising questions about the effect this trend is having on the cost of healthcare.

California Supreme Court Refuses to Review Critical Out-of-Network Rate Ruling

Nov 04, 2014 | 8:00 am

This summer at least seven physician organizations, including the California Medical Association (CMA), submitted amicus letters asking the California Supreme Court to review a 5th District

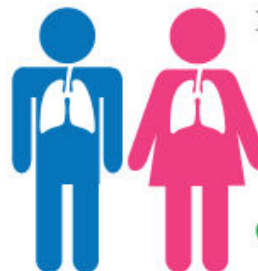

Court of Appeals ruling that dramatically lowers the calculations of the reasonable and customary value for payment of out-of-network services. Last ...

Nine HIEs Sign State Data Use and Reciprocal Support Agreement

Nov 04, 2014 | 8:00 am

Nine health information exchanges (HIEs) in California recently signed the California Data Use and Reciprocal Support Agreement (CalDURSA), an agreement that sets the framework for

data sharing between otherwise unaffiliated providers without the need for point-to-point data-sharing agreements.
