Despite Progress, Medicare's 'Malfunctioning Metric' has SD Hospitals Facing Penalties

Jan 06, 2015 | 2:00 pm

Altarum Institute's Center for Elder Care and Advanced Illness released data at the end of 2014 showing that San Diego County is doing much better than the national average at reducing readmissions to hospitals. Nevertheless, nearly all el...

CIE San Diego Gets \$1M Alliance Healthcare Foundation Grant to Expand Service to Senior Community

Jan 06, 2015 | 2:00 pm

Community Information Exchange (CIE) San Diego, which launched an innovative trust network that enhances care coordination among social service and care providers, earned a second \$1 million

grant from the Alliance Healthcare Foundation to...

Anthem "Used" Doctors to Sell Plans, Says One Legal Expert

Jan 06, 2015 | 2:00 pm

The public release of the Survey of Anthem Blue Cross by the Department of Managed Healthcare (DMHC) on Nov. 18, which revealed incorrect listings of providers in Anthem's network, affects physicians as much as it affects patients, accordi...
